

REMARKS

Applicants submitted a substitute specification on November 30, 2005, containing a typographical error in the date of the priority application, in the first paragraph. The priority date was correctly indicated on the 35 U.S.C. § 371(b) transmittal, filed April 21, 2005, and the executed declaration, filed April 17, 2006. Because the claim of priority was correctly entered within the time period prescribed in 37 C.F.R. 1.78 (a)(ii), with a minor typographical error, Applicants respectfully request entry of the amendment prior to commencing examination of the application. The amendment contains no new matter.

Respectfully submitted,

Jason Wejnert
